Requested amount of state revenue sharing funds: $ 2,500.00

Describe your organization and how it benefits the City of Bandon community.

Bandon Feeds the Hungry raises and collects funds for distribution to three nonprofit food assistance programs in Bandon: Bandon Good Neighbors, Bandon Senior Meals/Meals on Wheels, and Restoration Worship Center Food Pantry. Bandon Feeds the Hungry distributes 100 percent of all grants and donations equally to these four agencies. While each group does receive funding from other sources, the money it receives from BFH is a welcome and important source of income that helps with food assistance needs in the greater Bandon area.
I will attach a flyer of the groups for more information on when they distribute.

Provide an overview of your budget and what funding sources are used to support the organization.

Bandon Feeds the Hungry does not have a budget. All funds received are distributed. There is no overhead and no wages are deducted from the amount collected. Each organization is a 501(c)3 nonprofit and they each prepare yearly tax returns claiming the donations they receive.

Detail how the state revenue sharing funds would be used to support the organization.

Each group listed above will receive one-third of the funds granted and that money will be used to purchase food from the Oregon Food Bank and South Coast Food Share, or to purchase groceries to prepare meals, or to help fund overhead costs. All three organizations are run by volunteers, with the exception of a paid cook for the Senior Meals program and associated administrative costs. Groceries and meals are offered at no charge to participants without discrimination.

Additional information (optional)

If one of these groups has already applied, then the money will be distributed to the groups that did not apply for Bandon State Revenue Sharing Funds.
Note: E.A.T. (Everyone At Table) informed me that they do not need the funding this year so they are not included in this application as a recipient.
