B. Individuals may use vehicles for shelter and/or sleeping on public rights-of-way under the following circumstances:

### Removal of Camps, Storage, and Disposal of Materials.

1. Prior to removing an established campsite on public rights-of-way or City property, at least 72 hours in advance, except in the case of exceptional emergency or criminal activity, the City must post notice at the location that the campsite must move and all personal property remaining will be removed.

2. A campsite may be removed for violation of this chapter without posting a 72-hour notice:

a. When there are grounds for law enforcement officials to believe that illegal activity, other than camping, is occurring on the campsite or in the immediate vicinity of the campsite, or the property that comprises the campsite is being used or is intended to be used to commit or facilitate the commission of otherwise illegal activity; or in the event of an exceptional emergency, such as possible site contamination by hazardous materials or when there is immediate danger to human life or safety. If the danger to human life or safety can be reduced by moving the established campsite to a safer location, such as an adjacent landscape strip, the campsite should be moved rather than removed.

3. Once the 72-hour notice has been posted, the City may act on the notice and remove the campsite beginning 72 hours after posting and for up to 10 days following the posting.

4. After a camp has been removed subject to a 72-hour notice or under circumstances when no advance notice is required, the camp and all associated camp facilities must be moved at least one block or 600 feet, whichever is greater, and the City may order that no camp be set up in that same location or a 100-foot radius for up to 14 days. The City will post signs informing the public that camping is prohibited at the location.

5. When removing individuals and property from an established campsite, personnel will make reasonable efforts to remove individuals without the use of force, arrest, or citation. No person may be arrested or cited for failing to move under this chapter prior to being asked by City personnel to move.

6. When removing personal property, the City will make reasonable efforts to determine if the property belongs to an individual and has any apparent utility. The City will make reasonable efforts to identify which established campsite property was removed from, to aid in connecting people with their property. Items that are perishable, or that have no apparent use, or that are in an unsanitary condition due to saturation or contamination from bodily fluids, whether human or animal, or other contamination, will be considered garbage, discarded, and need not be stored.

7. Weapons, drug paraphernalia, or other contraband, and items that appear to be either stolen or evidence of a crime, shall be given to law enforcement officials. Items that appear to have a value of \$1,000 or more shall be given to law enforcement officials for storage and safekeeping.

8. Following removal of personal property from the right-of-way, the City must post a notice at, or as near as possible to, the location the property was collected, stating where the personal property is being stored, and listing the phone number and hours a person claiming ownership can collect or make arrangements to collect their personal property.

B. Personal property or camp materials may be removed from City rights-of-way, City property, or a camp or campsite if in violation of the provisions of this chapter. Advance notice and an opportunity to cure will be provided in most cases.

C. Personal property removed from City rights-of-way or City property and unclaimed at the time of removal, will be stored by the City for a minimum of 30 days, or the duration required by law at the time of the removal.

1. Items that are perishable, that have no apparent use, are not identifiable as belonging to an individual, or that are in an unsanitary condition due to saturation or contamination from bodily fluids, whether human or animal, or other contamination, will be considered garbage, discarded, and will not be stored. Property discarded, dumped, or otherwise abandoned in the City rights-of-way may be immediately discarded.

2. The City will store personal property at or near one of the City business campuses, where people can reasonably retrieve belongings.

3. The City will make reasonable efforts to provide a range of times the storage location will be available for people to collect their personal property. The City may dispose of any personal property that remains unclaimed after 30 days, or such duration as required or allowed by law.

#### Administration.

A. A violation of this chapter may result in the removal and/or clean-up of the camp or camps, camp material, or other personal property that are creating or contributing to the violation(s), typically after a request for voluntary compliance has been made, except in the case of an emergency, such as possible site contamination by hazardous materials or when there is danger to human life or safety or illegal activities, where removal can be immediate or be accomplished more quickly, depending on the severity of the situation. Any camp, camp materials, or personal property in violation of any of the standards in this chapter may be removed or cleaned up by the City or its designated contractors, subject to the requirements of storage of personal property and notice of storage described in this section. Camps in violation will generally be prioritized for removal or clean-up based on factors such as risks and negative impacts to public health and safety and repeated violations of this chapter. A camp may be subject to removal or citation, or both.

B. The City Manager is specifically authorized to modify or suspend enforcement of any section or element of this chapter in the event of a declared emergency, pursuant to administrative rules or policies, weather conditions (including but not limited to extreme heat or cold), or for any other reason within the City Manager's authority, regardless of whether an emergency has been declared.

C. The City Manager may adopt administrative rules or policies governing or guiding enforcement of this chapter, including but not limited to ensuring consistent and appropriate enforcement for various circumstances.

D. Zone changes amend the City of Bandon Zoning Map but may not always be evident on the most recently published version of the map. The formal zoning designation of an area will control even if not reflected on the most recently published map. For public rights-of-way adjacent to properties with different zoning designations, the designation that is more restrictive for purposes of this chapter will govern the use of that segment of the right-of-way.  
problem:

## Enforcement.

A. Enforcement should be tailored for various circumstances, including, but not limited to, situations where a person has a disability under the Americans with Disabilities Act, where minor children are present or otherwise involved, where a person has employment obligations that may relate to their ability to comply with the code, or for other reasons that may support discretion in enforcement.

B. Methods of enforcement for violations of this chapter are not exclusive and may consist of multiple enforcement mechanisms where legally authorized and appropriate. However, the intent of the City is to always resolve violations at the lowest possible level, and to engage to seek compliance and solve problems while maintaining the dignity of all involved. To that end, violations of this chapter should only result in citations when other means of achieving compliance have been unsuccessful, or are not practicable for the particular situation.

C. People who do not have any other permanent residence or domicile and/or are involuntarily homeless, are not prohibited from camping on public property or rights-of-way, provided camping is occurring in compliance with the time, place, and manner regulations set forth in this Chapter.

D. Enforcement of violations of this section will be in accordance with applicable State law and City ordinances and policies, including laws, ordinances, and policies governing towing and impounding of vehicles. A citation for violation of this ordinance shall be \$350.00 per occurrence. Citations will be issued only when other means of achieving compliance have been unsuccessful or are not practicable for the particular situation.

E. Before a civil violation citation is issued, the enforcement personnel will contact the person and provide a reasonable opportunity to cure or remedy the alleged violation. In most cases, enforcement personnel will assess whether the person subject to citation has been referred to service providers and make a referral if it appears none has been made. The following will be communicated to the person in a manner designed to help them understand the issue or problem:

1. A description or identification of the activity constituting the alleged violation and identification of the recipient as being the person responsible for the violation;

2. A written or verbal statement that the enforcement personnel has determined the activity to be a violation;

3. A written, or verbal statement of the action required to fix the violation and the time and/or date by which the violation must be fixed; and

4. A written or verbal statement advising that if the violation is not fixed within the time specified, a citation will be issued and that a civil penalty in the maximum amount provided for the particular infraction may be imposed.

5. Notwithstanding any other provision of this Ordinance, the City Manager or designee may:

- a. Revoke authorization for temporary transitional overnight parking for violations of the requirements of this chapter;

- b. Prohibit overnight camping or temporary transitional overnight parking on a property if the City finds that any activity related to the overnight camping or temporary transitional overnight parking on that property constitutes a nuisance or other threat to public welfare; or

- C. It is unlawful for an owner to use or occupy, or allow or permit any person to use or occupy, by lease or otherwise, any real property during any period such property is subject to an order of closure pursuant to Section 9.32.060.

9.32.030 Preliminary notice.

- A. When the enforcement officer has reasonable grounds to believe real property has been or is being used or maintained in violation of Section 9.32.020, the enforcement officer may institute proceedings against the owner for closure of the real property and the imposition of civil penalties.
- B. The enforcement officer shall provide preliminary notice of the institution of proceedings in the following manner:
  - 1. The enforcement officer shall notify the owner in writing that the structure is believed to be specified crime property. The notice shall contain the following information:
    - a. The street address and a legal description sufficient for identification of the structure;
    - b. A statement the structure is specified crime property, along with specific findings supporting this determination. The findings shall contain a concise description of the conditions establishing a violation of this chapter.
  - 2. A copy of the notice shall be served on the owner at least ten (10) days prior to the filing of a complaint. Service of the notice shall be made by personal delivery or by mailing a copy of the notice by certified mail to the owner at the address as it appears on the tax rolls and the address as it appears on the last recorded instrument of conveyance, if different from the address specified on the tax rolls, and to the owner's actual address, if known to be different from the above.

Notice shall be made by mailing a copy of the notice by first class mail, or by personal delivery to the occupant or occupants at the real property.
  - 4. A copy of the notice may be posted at the real property if ten (10) days has elapsed from the service or mailing of the notice to the owner, and no response has been received by the city during that time.
  - 5. The enforcement officer shall send a copy of the notice to the district attorney for Coos County, as well as any other documentation supporting closure and imposition of civil penalties.
- C. After notice has been given pursuant to this section, the city manager may authorize the filing of a complaint. Nothing in this section shall limit the power of the city manager to enter into an agreement with the owner for the voluntary abatement of conditions giving rise to the violation.

9.32.040 Complaint--Burden of proof--Defenses--Stay of proceedings.

- B. The city shall have the initial burden to show, by a preponderance of the evidence, the real property is specified crime property.
- C. Evidence of the real property's general reputation and the reputation of persons residing

in or frequenting the real property shall be admissible and competent.

- D. It is a defense to an action seeking closure of the real property that the owner, at the time in question, could not in exercise of reasonable care or diligence determine that the real property was being used or maintained as specified crime property.
- E. If, prior to trial, the owner and the city enter into an agreement stipulating to the abatement of the conditions giving rise to the complaint, the court upon motion by the city may stay proceedings for a period not to exceed sixty (60) days. The owner may thereafter petition the court for additional periods of time as may be necessary to complete the actions stipulated to in the agreement. If the owner is not diligently pursuing the actions stipulated to in the agreement, the city may apply for release at any time prior to the end of the stay.

9.32.050      Emergency closures.

If the enforcement officer determines real property is an immediate threat to the public safety and welfare by virtue of activity which would establish a violation of this chapter, the city may apply to the court for a preliminary injunction ordering closure of the real property. In such event, no preliminary notice required under Section 9.32.030 need be given.

9.32.060      Closure order and civil penalties--Costs.

- A. If real property is determined to be specified crime property, the court may order closure of such property for a period of up to one year, and assess a civil penalty against the owner of up to five hundred dollars (\$500.00) for each day the owner had knowledge of activities or conditions constituting the violation. A person shall be deemed to have had knowledge at a date no later than the date preliminary notice is provided pursuant to Section 9.32.030. In establishing the amount of any civil penalty, the court may consider the following factors:
  - 1. The actions taken by the owner or owners to mitigate or correct the problem at the real property;
  - 2. The financial condition of the owner;
  - 3. Whether the problem at the real property was repeated or continuous;
  - 4. The magnitude or gravity of the problem;
  - 5. The economic or financial benefit accruing or likely to accrue to the owner as a result of the failure to correct conditions at the real property;
  - 6. The cooperativeness of the owner with the city;
  - 7. The cost to the city of investigating and correcting or attempting to correct the condition;
  - 8. Any other factors deemed material by the court.
- B. If an order of closure is granted, the city may physically secure the real property against use or occupancy if the owner fails to do so within the time specified by the order. All costs reasonably incurred by the city in such action shall be a lien upon the property.
- C. The city shall prepare a statement of costs, which shall be served on the owner and filed with the court. If no objection to the statement is filed with the court within fourteen (14) days of the date of service, the statement of costs shall be entered as part of the judgment, and a certified copy filed as a lien against the real property in the city's lien docket. Liens shall bear interest at the rate of nine percent per annum, commencing with the date of entry of judgment or order of closure.

9.32.070 Relocation costs.

- A. Any tenant required to relocate by a closure order is entitled to reasonable relocation costs, to be paid by the owner, if the tenant moved into the real property after either:
  - 1. The owner received preliminary notice under Section 9.32.030; or
  - 2. The owner was served with summons and complaint for a preliminary injunction under Section 9.32.050.
- B. In any action to recover relocation costs, the tenant shall be entitled to reasonable attorney's fees associated with recovery, to be paid by the owner.

  - 1. Appears and pays all costs associated with the proceedings;
  - 2. Files a bond, in an amount not less than the tax-assessed value of the structure, and keeps such bond in force for a period of not less than one year; and
  - 3. Enters into a stipulation with the city to immediately abate the conditions, to make every effort to prevent the same or similar conditions from occurring at any time.
- B. If the owner violates any term of the stipulation entered into according to subsection A of this section, the entire bond shall be forfeited.
