Public Works Monthly Report

September 2022

The Public Works Department is responsible for the city streets, wastewater collection, water distribution and parks. Duties include maintaining the parks, playgrounds, restrooms, equipment, vehicles, and city buildings. The crew also performs tree trimming, mowing, spraying for weed control, installing water meters, monthly meter reading, sweeping streets and locating sewer and water mainlines. Public works also assists the wastewater and water treatment plants on various projects.

Additional duties undertaken this month:

- Worked with Coquille Indian Tribe on permitting sensitive areas
- Tree trimming throughout town for vision and height clearances
- Worked with Dyer Engineering on culvert replacements
- Worked with Water and Wastewater Plants on miscellaneous projects
- Working with ODOT on ADA project along Hwy 101 through town
- Working on striping road around town
- Tree removal in City Park (dead, storm damages, root lifting, etc.)
- Working on Reforestation for City Park
- Mowing and spraying gorse
- Sewer I and II Project has started around town with Michels Construction
- Repairing rot and painting on buildings in the park
- Replacing handrails on Community Center
- Completed residing Wastewater Plant, main building
- Fillmore parking lot is now open
- Work has started on the Community Center, South Roof and Sprague Theater roof will be replaced.
- Community Center floor construction started Monday, September 26, 2022, and will take two to three weeks for completion. The Community Center will remain open during construction.
- High School students worked in Old Town and Business District cleaning side walks for Community Service Day.
