Public Works Monthly

Report November 2022

The Public Works Department is responsible for the city streets, wastewater collection, water distribution and parks. Duties include maintaining the parks, playgrounds, restrooms, equipment, vehicles, and city buildings. The crew also performs tree trimming, mowing, spraying for weed control, installing water meters, monthly meter reading, sweeping streets and locating sewer and water mainlines. Public works also assists the wastewater and water treatment plants on various projects.

Additional duties undertaken this month:

- Worked with Coquille Indian Tribe on permitting sensitive areas
- Tree trimming throughout town for vision and height clearances
- Worked with Dyer Engineering on culvert replacements
- Worked with Water and Wastewater Plants on miscellaneous projects
- Working with ODOT on ADA project along Hwy 101 through town
- Working on striping road around town
- Working on Reforestation for City Park
- Mowing and spraying gorse
- Repairing rot and painting on buildings in the park
- Replacing handrails on Community Center
- Working with school mowing gorse south of softball field
- Community Center and Sprague roofs are complete
- Rusty sprinkler pipes at main entrance of Community Center have been replaced
- Heat System working in the Sprague
- Floor at Community Center kitchen is almost complete
- Did our own asphalt patching around town and at water plant
- Inflow and Infiltration project should be completed by the end of December
- Guardrail has been damaged at 7th and beach loop should be fixed the week of November 21, 2022
- Water leak at 7th and Kensington has been fixed
