AGENDA REPORT

TO: Honorable Mayor and Members of the City Council

FROM: Torrey Contreras, City Manager 

INITIATED BY: Dana Nichols, Planning Director 

DATE: May 6, 2024

SUBJECT: **5.1 PUBLIC HEARING: ORDINANCE 1664, AN ORDINANCE VACATING A PORTION OF 6TH STREET BETWEEN LINCOLN AVENUE AND KENSINGTON AVENUE AND A PORTION OF KENSINGTON AVENUE SOUTH OF JETTY ROAD IN THE AMENDED BREAKWATER ADDITION IN THE CITY OF BANDON.**

BACKGROUND:

The Planning Department was contacted by Tribal One regarding unimproved rights-of-way that abut or cross the land owned by the Coquille Indian Tribe containing the Pacific View Senior Living Community. Tribal One requested that the City initiate a vacation of these rights-of-way. Please see their attached request (Attachment 3).

At the January 9th meeting, the City Council discussed this proposal and directed staff to prepare a report assessing the feasibility of initiating the vacation request for consideration at a future meeting. This report was provided to the Council at their February 5th, 2024, meeting and a motion was made to initiate proceedings to schedule a public hearing for consideration of the matter. The initial public hearing on March 18th was continued due to receiving new information that City utilities are located in the alley.

Following comment from the City's Engineer, Dyer Partnership, City Staff removed the alley from the proposed vacation and re-posted notice of the proposal and public hearing on the City's website, on the physical site, and in three public places in the City, according to the requirements of ORS 271.110, Notice of Hearing.

ANALYSIS OF THE ISSUES:

The proposal consists of certain sections of unopened city right-of-way, including the southern terminus of Kensington Ave and a portion of Sixth St between Lincoln Ave and Kensington Ave. The sections are described in Attachment 2. In reviewing existing files related to the development of the adjacent parcels, it appears that the city manager at the time retained those parcels thinking they might be needed for a future access point from Jetty Road. Parcel 1 and Parcel 2 do not provide any current or future service to the City as they do not increase circulation, provide access to additional parcels, nor do they contain utilities. The original request included Parcel 3, an alleyway, which was removed from the

request because it contains electric, water, and sewer utilities, in addition to a component of the sewer pump station on Lincoln Ave SW (Attachment 4).

Staff finds that the vacation request for Parcel 1 and Parcel 2 meet the requirements of ORS 271.130, including that:

1. The vacation request was initiated by the City Council, as authorized in ORS 271.080, and any property owners abutting the proposed vacation have consented to the vacation (ORS 271.130(1)).
2. The proposed vacation consists of streets that either intersect or are parallel to each other (ORS 271.130(2)).
3. All liens and taxes have been paid on the lands covered by the portion of the land to be vacated (ORS 271.130(3)).
4. Any utilities located in the existing streets are either private or have easements already in place.

FISCAL IMPACT:

Staff recommends that all costs associated with the vacation, including noticing, surveying, and recording, be borne by the property owner, or the representative, requesting the vacation. City Staff will prepare a billing with any costs incurred for this request.

RECOMMENDATION:

The following is recommended to the City Council:

1. Review and discuss the information provided; and
2. Hold a public hearing to consider ORDINANCE 1664, AN ORDINANCE VACATING A PORTION OF 6TH STREET BETWEEN LINCOLN AVENUE AND KENSINGTON AVENUE AND A PORTION OF KENSINGTON AVENUE SOUTH OF JETTY ROAD IN THE AMENDED BREAKWATER ADDITION IN THE CITY OF BANDON; and
3. Request the City Attorney read Ordinance 1664 by Title only (First Reading); and
4. Make a motion to approve ORDINANCE 1664, AN ORDINANCE VACATING A PORTION OF 6TH STREET BETWEEN LINCOLN AVENUE AND KENSINGTON AVENUE AND A PORTION OF KENSINGTON AVENUE SOUTH OF JETTY ROAD IN THE AMENDED BREAKWATER ADDITION IN THE CITY OF BANDON, by a roll call vote; and
5. If a full Council is present, request the City Attorney read Ordinance 1664 by Title only (Second Reading); and
6. Make a motion to adopt ORDINANCE 1664, AN ORDINANCE VACATING A PORTION OF 6TH STREET BETWEEN LINCOLN AVENUE AND KENSINGTON AVENUE AND A PORTION OF KENSINGTON AVENUE SOUTH OF JETTY ROAD IN THE AMENDED BREAKWATER ADDITION IN THE CITY OF BANDON, by a roll call vote.

Re: Request for City to Initiate Right-of-way Vacation Proceedings
Portions of 6th Street and Kensington Street, Bandon, Oregon
Tax Map No. 28S15W25BD

Honorable City Council Members,

In late September, our team met with City of Bandon (“City”) staff to discuss the status of some right-of-way adjacent to land owned by the Coquille Indian Tribe. Because the right-of-way is unimproved and indistinguishable from the adjacent lots, it was unclear whether the portions of street and alley had previously been vacated. Following the meeting, City staff reviewed City records and clarified that the right-of-way remains under the City’s jurisdiction despite its lack of public use. Thus, for the reasons discussed below, please accept this letter as a request for the City to initiate right-of-way vacation proceedings under ORS 271.130 for the alley and street right-of-way described below.

Proposed Vacation Areas

The three areas of right-of-way proposed to be vacated are located in and adjacent to Lots 900, 6800, and 6900 in Block 24 of the Amended Breakwater Addition, Coos County, Oregon as depicted on the Tax Map No. 28S15W25BD. The proposed vacation areas are generally described as follows:

- Alley – Lot 6900
Lot 6900 is divided by an undeveloped alley. However, the City built a pump station across the alley right-of-way effectively eliminating the use of the alley. To ensure the City retains a right of access to the pump station, the Tribe is willing amend any existing easement or agree for the City to reserve an easement for the pump station.
- 6th Street between Lot 6900 and Lot 900
The proposed vacation area is a portion of 6th Street W. located between Lincoln Avenue and Kensington Avenue. This portion of 6th Street was never constructed and due to the pattern of development in the area, will never be constructed.
- Kensington Street Terminus at Lot 900

The proposed vacation area is a portion of Kensington Avenue from Jetty Avenue to its southern terminus located in the Amended Breakwater Addition. Kensington Street terminates at Lot 900 and serves no public purpose. Also, this portion of Kensington Street is not needed for access to Lot 900 from Jetty Road because of the access easement.

The above-described rights-of-way are more particularly described and depicted on document titled "Exhibit A" enclosed with this letter. To further facilitate Council's review, below is an enlarged area generally showing the right-of-way proposed to be vacated. For reference, Tax Lot 900 is the property commonly known as Heritage Place and currently houses the Pacific View Senior Living Community. TL 6900 (also referred to as Lots 5-12 in Block 24 of the Breakwater Addition) is owned by the Coquille Indian Tribe. TL 6800 is also owned by the Tribe.

Reason for City to Initiate Vacation Proceedings

As mentioned above, the proposed vacation areas are indistinguishable from the adjacent tax lots due to landscaping and lack of development. Additionally, given the pattern of development and land use in the area, the rights-of-way will not be improved or used for their intended purposes as an alley and streets.

The Tribe is responsible for maintaining the above-referenced tax lots. The City, on the other hand, retains responsibility for maintaining the rights-of-way adjacent to the tax lots. Maintenance responsibilities generally include, among other things, Gorse removal. By vacating these three small portions of right-of-way, the City will benefit by no longer having any maintenance obligations or liability associated with the right-of-way, including any Gorse abatement. Rather, the properties may be maintained more efficiently as a whole.

Also, the Tribe has recently partnered with the Port of Bandon to recover portions of Grandmother Rock from the Bandon boat ramp project. Portions of Grandmother Rock are being restored back to its historical location near Tax Lot 900. Vacating the proposed right-of-way will enable the Tribe to continue relocating portions of Grandmother Rock to its historical origin without inadvertently disposing the rock in portions of City-owned right-of-way.

Thus, as these portions of public right-of-way have been shown to be unnecessary for public use, we respectfully request that the City Council initiate vacation procedures as identified in this letter. If you have any questions regarding this request, please contact me at 541-297-6805 or by email at judyfarm@tribal.one.

Thank you for your consideration of this matter.

Kind regards,

Judy Farm
