Dear Dana Nichols,

My husband Paul and I have a vacation home at [1473 Strawberry Drive SW, Bandon](#). We are giving testimony on the City of Bandon's proposal to amend the ordinance to Titles 16 & 17. We support the view line setbacks on bluff oceanfront properties that preserve the views of adjacent properties to the maximum degree. We support the setbacks on bluff oceanfront properties that preserve adjacent lots view to the west and northwest.

Thank you for presenting this on our behalf.

Paul and Laura Imperia
